

Central Alberta **PREGNANCY CARE CENTRE**

7 Reasons to Give Monthly

1. Multiply Your Impact

When you share your abundance with others as a monthly gift, you boost your impact. Recurring donations deepen over time, creating a more significant impact in the long run. Even a modest contribution builds up over a year or several years.

2. Easier on Your Budget

Setting aside your donation each month is similar to a monthly subscription for your cell phone or Netflix. Setting your donation up this way is meaningful and doesn't strain your finances.

3. Increases Your Engagement

Monthly donors join a community of supporters and the Monthly Giving Club. You'll receive monthly updates and hear from clients about how your contribution has positively impacted them.

4. Flexible and Convenient

Once set up, you don't need to do anything unless you want to make a change or cancel your monthly contribution.

5. Lowers Our Administration Costs

Monthly donors help reduce our admin costs and processing time, which means more of every dollar goes directly to the work where it matters most.

6. Provides Us With Reliable Funding

Monthly donors contribute to the longevity of the CAPCC. We can plan for the future, continue to meet client needs and refine or expand our programs, knowing we have the resources to do so.

7. Beyond a Handout

The communities in Central Alberta where we work are not looking for handouts; instead, we are working toward change. Our programs are life-changing and possible because of our donors' support.

Together, we can be a community that extends grace, provides education, and ongoing compassionate support that knows no bounds!
